

UNCLE MANDO'S CAR SEARCH

Presented By Julian Grado and
Eric Solorio

ABOUT

Customers can search for cars that are available in dealerships.

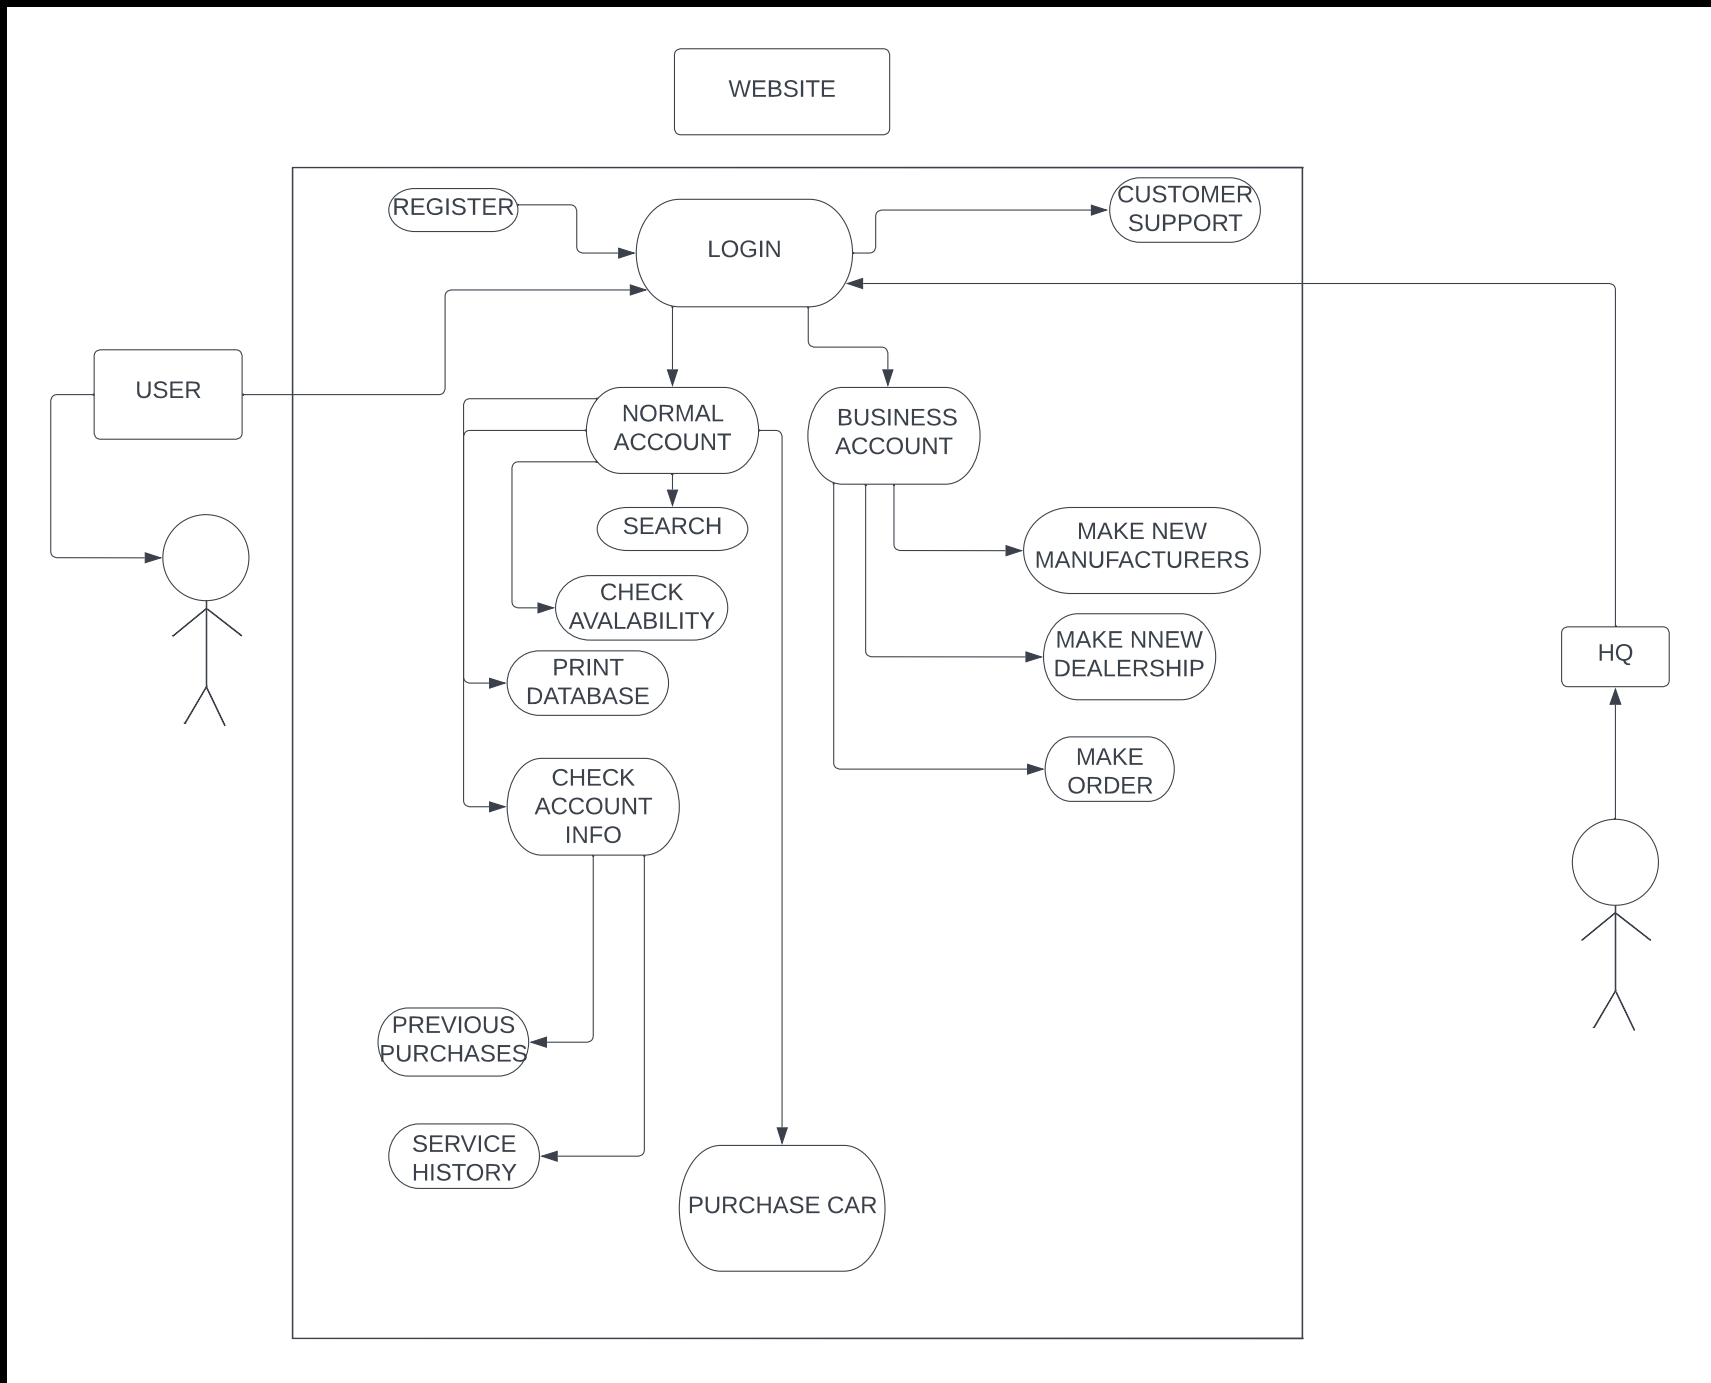

Customers have data connected to the dealers, with the cars they bought, and services they have received

As well as getting data from where cars originated from(manufactured)

Headquarters can add to the database as well

E/R Diagram

DATA BASE SCHEMA

An aerial photograph of a multi-lane highway bridge spanning a body of turquoise water. The bridge has several lanes in each direction, with white lane markings. Several vehicles, including cars and trucks, are visible on the bridge. The water is a vibrant turquoise color with visible ripples. The text "THANK YOU" is overlaid in large, white, bold, sans-serif capital letters across the center of the bridge.

THANK YOU
